

Please do not fill in shaded boxes.

A. Project Code:
B. Date:
C. Proposer: (Name, email, telephone number, office)
D. Project Title: (Give a brief descriptive title for the project)
E. Project Description: (Write a few sentences describing the scientific goal and what will be learned from experiments)
F. Equipment Needs: (Describe which microscope(s) are needed and list any special techniques, such as environmental conditions, EDS, EELS, EBSD, in-situ holders.... Estimate the time needed on each microscope in terms of number of sessions, frequency of sessions, and hours in each session, e.g. once per week for 3 hours for the next 6 months.)
G. Users: (If more than one user, indicate the task distribution.)
H. Funding Source(s): (e.g. DFG, BMBF, Kostenstelle, ...)
I. Estimated Costs:
J. Name and Signature of Group Leader: (should be signed after Estimated Costs are known)
K. Approval:

The obtained results may be used in any publications provided that the PISA is explicitly acknowledged. A suitable reference is:

The use of equipment in the "Potsdam Imaging and Spectral Analysis Facility" (PISA) is gratefully acknowledged.
